Kids Christmas Scrapbook Printables

DIY and Crafts • Print on card, cut out, stick on the page

Cut-out shapes for a kids Christmas scrapbook page: trees, stars, gift tags and borders. Print on card if you can — it is sturdier and easier for small hands to cut. Stick the shapes around the photo, not over it.

Christmas trees — cut out and stick on

Stars — for corners and around the photo

MERRY CHRISTMAS • MERRY CHRISTMAS • MERRY CHRISTMAS

MERRY CHRISTMAS • MERRY CHRISTMAS • MERRY CHRISTMAS

MERRY CHRISTMAS • MERRY CHRISTMAS • MERRY CHRISTMAS

Borders — cut into strips and frame the page

Gift Tags & Journaling Cards

DIY and Crafts • Cut out, write on them, stick them on the page

Merry Christmas!

My Christmas
